

# Beyond Survival: Responding to Recession

**A Free One Day Conference for  
Voluntary and Community Organisations**

**Monday 30th  
March 2009  
9:30am-4:00pm**

## **A Strategic Way Forward**

How can you respond to the challenges of the current recession so that your organisation not only survives, but thrives? This conference will inspire you to think creatively about new ways of working, and give you tips and tools to help you make the most impact with the resources you have. Discover how we can work together to increase our influence, as well as how to make your individual organisation stand out from the crowd to attract the support you need.

- Presentations from special guest speakers representing refugee agencies, local authorities, the Greater London Authority, policy makers and funders.
- Practical workshops on finding new ways of working, increasing your impact, engaging with the wider community, recognising and addressing challenges and opportunities in a recession.
- Opportunity to network with others in the sector to share ideas, experience and knowledge.

**Venue:**
